

Asheville LDS Single Adult Conference

OCTOBER 21-23 2016

Life is a Symphony

Psalms 28:7 "The Lord is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him."

Psalms 33:3 "Sing unto him a new song; play skillfully with a loud noise."

Our "Spiritual Feast" this year will give you new ideas to improve our own Symphony and teach you how to make your "noise" heard in a way that is pleasing unto the Lord. Fall in Asheville is a magical time. The leaves are changing, and should be at their peak during our Conference. Join us for dancing, workshops, delicious food by Nancy (back by popular demand), and free time to explore the wonders of our mountain paradise! Our Keynote Speaker will help you see the music in your life and how you can be the composer of your own symphony. You don't want to miss this!!
